ABOUT THE OWNERS

James Richardson & Sons, Limited, Grain Merchants, was founded in Kingston, Ontario, in 1857 and is the oldest organization of its kind in this country. It began business ten years before the birth of Canada and half a century before the first real rush of settlement on the Canadian prairies.

This is a family business, owned and personally directed by Richardsons through four generations.

Associated or subsidiary companies are: Pioneer Grain Company, Limited, with 443 country elevators; Eastern Terminal Elevator Company, Limited, with the largest privately owned terminal in Canada; James Richardson & Sons, Investment Dealers; Commercial Insurance Agency; Richardson Stock Farms Ltd., of which Kelburn Farm is a unit.

Head offices of the Company are in Winnipeg, with branches in the major Canadian cities from Montreal to Victoria closely connected by a private wire system.

Since 1911 the firm has been active in Western farming and in producing pure-bred livestock. Over the years many top herd sires and select females have been added to the herd. There has been a continual effort put into the improvement of the Shorthorn breed. In 1945 and 1948 such renowned Perth Champions as Mount Banker and Crieffvechter Empire were brought in to head the herd, and in more recent years Calrossie White Emblem, a son of the now famous Calrossie Welcome, added strength to the already popular blood lines. To follow these bulls we purchased Kair Conquest, by Cruggleton Nevile, whose calves we will see later this year.

These are the bloodlines we are offering in this sale. We wish you success with these cattle.

The Kelburn cow herd is a source of pride to its owners.

KELBURN FARM WELCOMES YOU

On behalf of Richardson Stock Farms Ltd., I wish to extend a cordial invitation to be with us on Saturday, June 16th. We hope that you will be able to come the day before to see our breeding herd.

Judging by the way breeders have accepted our cattle in the past, we are convinced that our breeding program meets with the approval of the most critical cattleman. We are striving and will continue to strive to maintain our position of ever moving forward in the improvement of this great breed of cattle.

Our original herd was established on 25 top quality imported females selected from the most popular bloodlines in Scotland. Our stock bulls, since the establishment of the herd at Kelburn, have also been selected with care keeping in mind the demands of the Shorthorn breeder and commercial cattle producer. They are pictured elsewhere in this catalogue. Early in December, 1955, we purchased the top 55 famous Killearn herd at Edmonton. With this added strength we are confident that we are in a position to meet the demands of the Shorthorn breeders.

The cattle we are offering are a fair sample of our entire herd. I am sure that you will like the four bulls and females in this sale.

It is not our intention to offer our cattle in high fit. A number of the cows will have calves at foot, all of which will be sired by Calrossie White Emblem. Many of these cows and heifers will be rebred to Calrossie White Emblem and others to Kair Conquest, our Junior Herd Sire.

We feel confident that these cattle will do well for you and for the breed.

Plan to be with us on June 16th.

GEO. DePAPE,
Manager
